

Reading Arizona Account Creation Instructions

1. Go to the Reading Arizona platform page: <https://readingaz.axis360.baker-taylor.com/>
2. Click the Login button in the upper righthand corner.
3. At the bottom of the pop-up window where it says “Don’t have a username? Click here,” click there.
4. The next screen asks for your state. Type in Arizona, with a Capital A – lowercase r – i – z – o – n – a.
5. Complete the short form. Here are the details you need to know for each line:
 - a. **USERNAME:** You don’t need a library card to access Reading Arizona, but you can use your library card number, if you want to, as your username or you can choose any username you want, as long as it hasn’t already been claimed.
 - b. **PASSWORD:** There are no restrictions on the length or content of the password.
 - c. **SECURITY QUESTION AND ANSWER:** You have a choice of security questions from the drop down. Choose one question and provide the answer.
 - d. **DISPLAY NAME:** Entering a display name really is optional. If you’d like Reading Arizona to give you a personalized hello when you log into your account, enter a display name here.
 - e. **EMAIL ADDRESS:** Entering an email address is optional, but I do recommend it. If you plan to put a book on hold, the system will email you when it is ready to be checked out. If you have trouble with your username or password, an email will also help us reset your account.
6. Once the form is complete, go to the bottom of the form and click Register.
7. And that is it! You have created an account on Reading Arizona and can now enjoy over 700 titles related to Arizona topics and themes. Happy reading!
