Permission for reproduction is limited to the applicant and is non-transferable and only for the expressed purpose described in this application. This permission is non-exclusive; the Agency reserves the right to reproduce the image and to allow others to reproduce the image.

The Agency reserves the right to limit reproduction of its pictorial images and to impose such conditions as is required by donor agreement or law, or if original material is too fragile for reproduction.

Unauthorized reproduction will incur a fine of three times the normal fee, and the Agency reserves the right to demand surrender of all materials containing unauthorized reproductions.

5. Fees: See schedule of fees on page 5. (Waived for state agencies)

6. Copyright:

A. Permission
   In addition to the permission of the Agency, additional permissions may be required. In cases of living artists and/or subject to the 1976 Copyright Law or the 1991 Visual Artists Rights Act, written permission must be secured by the applicant from the artist, his/her agent, or the copyright owner and provided to the Agency before a photograph of the artwork will be released.

B. Copyright Warning

   WARNING CONCERNING COPYRIGHT RESTRICTIONS:
   The copyright law of the United States (Title 17, USC) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, archives and libraries are authorized to furnish a photocopy or reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. The Agency reserves the right to refuse a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

C. Privacy:
   An individual depicted in a reproduction has privacy rights as outlined in Title 45 CFR 46 ("Protection of Human Subjects"). The Agency reserves the right to require a release from individuals whose privacy may be violated by the publication of this image.
D. Owner of original image:

In instances where the Agency holds only a reproduction of an image, written permission of the owner of the image is required. The Agency cannot grant permission or issue a print when the owner of the original image is known.

It is the responsibility of the applicant to obtain permission to publish reproductions from the owner of copyright (the institution, the creator of the record, the author, or his/her transferees, heirs, legatees, or literary executors). The Agency will aid the applicant in contacting individuals by providing addresses, when available. However, the Agency does not warranty the accuracy of that information, and shall not be responsible for any inaccurate information.

The Agency assumes no responsibility for infraction of copyright laws, invasion of privacy, or any other improper or illegal use that may arise from reproduction of any image. The applicant agrees to hold the Agency and its agents harmless against any and all claims arising or resulting from the use of each image and shall indemnify the Agency and its agents for any and all costs and any damages arising or resulting from any such authorized use.

7. **Image alteration:** I understand that photographic images must be reproduced unaltered and in their entirety unless approved in writing (standard cropping and resizing are permissible).

8. **Credit line:** This photographic image must be reproduced unaltered and in its entirety unless approved in writing (standard cropping and resizing are permissible), and it is mandatory that the credit line, including image number, appear with the image or on a credit page, indicating the page number. Crediting of each individual item is mandatory in all cases.

*Example:* Arizona State Library, Archives and Public Records, History and Archives Division, Phoenix, #94-7383.

The payment of a fee does not exempt an applicant from credit line requirements. Failure to include a credit line will incur a fine of $100.00 per image.

9. **Pre-publication rights:** The Agency reserves the right to examine proofs and captions for accuracy and sensitivity prior to publication with the right to revise if necessary. The Agency reserves the right to refuse any request and to impose such conditions as it may deem advisable in its best interests.

10. **Payment of fees:** Prepayment of all fees is required before permission to publish is granted. Default in payment shall immediately revoke permission.

    If the size of edition or number of editions exceeds the terms specified in this application, the applicant shall immediately pay the difference in use fees. If payment is not received within thirty days, the applicant shall be liable for twice the difference in fees.

11. **Final publication:** The applicant agrees to send the Agency, upon date of publication, one complete, best edition, gratis copies of the work containing the reproduction at no charge.

12. All original prints and negatives are retained by the History and Archives Division and do not leave the Division. **Images may not be copied by clients using their own equipment.**
