

Fill out the boxes as you find things in the museum that match each description. Draw a picture of the item or write its name in the box.

Play as a team: Every box has more than one item in the museum that fits the description, see if everyone in your team can find a different item.

### Find something....

That shows history	You can wear	Cloth	Bigger than you
That can make noise	Metal	Hanging on a wall	Round
That represents Arizona	Shiny	You have never seen before	Rusty
Older than the building	Smaller than you	That moves	You wish you could take home
Hint: the building was constructed in 1901
