Please call Records Management for pricing on special projects, boxes, or any other customer service questions.

*Charges calculated on the total cubic feet of the boxes stored. A standard "703 Bankers Box" is 1.2 cubic feet.

**Vault Storage is a climate-controlled space maintained at 66 degrees and between 20%-50% relative humidity.

SERVICE DEFINITIONS

New Storage-Administrative charges for adding new boxes to Iron Mountain. This fee is only incurred the first month a box is added to Iron Mountain storage.

Image on Demand-Service where Iron Mountain will convert a file to a digital format and deliver it to the customer digitally. Eight (8) minutes of labor are provided for each file requested for IOD digitization; this amount of labor time is sufficient to accommodate the majority of IOD file conversions. For files requiring more complex processes, additional labor costs may be applied and will be charged in 15-minute increments.

Individual File Listing-Administrative charge for requesting and barcoding an unlisted file from a box.
