

Federal Funding for Libraries in Arizona CD8

Libraries in CD 8 supported their community members with improved access to information and learning opportunities for people of all ages.

Peoria Public Library's Pedal Express brought resources to community members outside the library walls.

Community members in Glendale gave their feedback about library facilities and services of the future.

| Library | # of Grants (2021-2022) | Amount Awarded |
|------------------------------------|-------------------------|----------------|
| Glendale Community College Library | 1 | \$4,000.00 |
| Glendale Public Library | 7 | \$108,178.49 |
| Peoria Public Library | 9 | \$68,710.38 |

LSTA & ARPA Across Arizona

The Arizona State Library, a division of the Secretary of State, received \$10,770,125.00 in federal funds from the Institute of Museum and Library Services (IMLS) during FFYs 2021 and 2022.

About 25% of the funds were awarded as 194 subgrants to 103 library systems. These subgrants allow libraries of all types across the state to apply federal funding to their unique community situations.

The funds were used to provide services such as **lending hotspots** to community members without home internet; **teaching digital skills** to people of all ages; and offering **workforce development** resources.

The remaining funds were used for statewide projects including:

- Purchasing electronic resources, including ebooks and ezines;
- Setting up two-person privacy rooms for teleservices;
- Hiring Digital Navigators to assist with basic computer skills training, technology troubleshooting, and online information needs; and
- Distributing STEM kits to enhance informal learning for children.

FFY 2021 - 2022 Allocations
